NOBLE HIGH SCHOOL

of the

METROPOLITAN SCHOOL DISTRICT
WABASH INDIANA

We, the staff of the Treasure Chest, dedicate this annual to Gurbuz Celebi and to the A.F.S. program which he represents.

We, on behalf of the school, wish to thank Gurbuz for his contribution to us in the understanding of other nationalities. We hope that we, in return, have given to him a similar understanding of us, as Americans.

FOREWORD

But hark! From o'er the blackened moor
Echoes faint cry of yesteryear!

Yesterday has gone forever, so poets say. But we have tried to mirror that bit of yesterday in the pages of this book.

High school life is always an idealization of real life—the kind of life we shall never see. But it is our most sincere hope that, after you have become much older and wiser, you can page through this Treasure Chest with a feeling that you have contributed a tiny grain of sand toward the building of that heightless mountain called "Eternity."

NEW SCHOOLS

The architect's sketch shows the new Southwood School which will be located near White's Institute. Northfield School, of the same design, will be located at Speicherville.

Both schools, containing grades seven through twelve, are to be ready by the fall of 1962.

SECRETARY

Mrs. Smith

PRINCIPAL

Mr. Duker

Dear Seniors,

You ask if we will write the few words that usually appear on the principal's page in your year book. This is a pleasure! It has required some little thought to choose a principle of philosophy to make the page purposeful. We hope the one we have chosen will pass the test.

This is your graduation. We congratulate you! The term graduation implies progression from one position, or state, to another. You will never graduate from tests. In the past you have used the term "testing" in relation to subject matter. You generally were informed in advance of the time of testing. Your tests in the future will generally be "sprung" on you. Real tests in conscience, character. and capacity can't be anticipated and announced. You must be ready to take them at any time.

It is within the capacity of each of you to pass the tests in both conscience and character. Your happiness depends upon making better than average grades in both. Please do not fail them!

Sincerely,

C. O. Duker
